## THIS HUNGRY LIFE

**NATIONAL RELEASE DATE:  
OCTOBER 17, 2006**

*This Hungry Life* is the newest addition to TANYA DONELLY's dizzying rock resume.

After forming the immensely influential art-rock outfit THROWING MUSES while in her teens, Donelly later founded THE BREEDERS with ex-Pixie Kim Deal before leading her own hugely successful group, BELLY. Now, after three acclaimed solo albums, Donelly delivers *This Hungry Life*, her newest collection of languid and gorgeous pop creations.

Accompanied by a stellar band, including husband DEAN FISHER (Juliana Hatfield Three) on guitar, RICH GILBERT (Frank Black and the Catholics) also on guitar and pedal steel, ARTHUR JOHNSON (Come) on drums, JOE McMAHON on upright bass, JOAN WASSER (Lou Reed, Antony and the Johnsons) on the violin, and BILL JANOVITZ (front man of Buffalo Tom) contributing vocals, Donelly has amassed yet another collection of powerful and beautiful gems, proving once again why we've all paid attention for so long.
